CODE OF WAR

Introduction

Brace Yourself, here comes the most awaiting event, CodeOfWar is here. It is an Individual Event. Blitzschlag-2k17 presents CodeOfWar, a perfect event for all those people who love to code. This Event Provides you a platform to show-off your coding skills. The participants don't have to just code and code the nerve breaking problems, along with that they will also enjoy the Game Play.

Problem Statement

This contest will hold surprises and distractions which will be revealed then and there. The distraction team will try their best to get you off track but the one who can keep his mind steady will emerge victorious. Lets see if you can code while we make sure that you don't :p.

Game Play

You will be very keen to know that how this game will take place, but hold on...This will be a surprise that will be revealed on the day of event.

Rules

1. Timings:- 2-3 hours
2. This is not a team event (Single participation only).
3. Distraction rules will be revealed in contest. Participants are expected to follow them.
4. Plagiarism will be scrutinized heavily.
5. Registration will be closed 1 hour before the contest. Register yourself at www.blitzschlag.org
6. The decision of judging team will be final.
